

Private Lesson Coaches

Basic Skating Skills, Recreational Skating, Power Skating, Hockey Skating Skills and Figure Skating of All Disciplines

We are proud to host a wonderful pool of private contractor coaches that are eager to help you on the ice. It is recommended that you interview several coaches prior to making a selection as rates, schedules, experience, locations, personalities and teaching styles vary. To interview and make lesson arrangements contact coaches directly. Our coaches all specialize in different areas so please note the "areas for lessons" for each coach prior to contacting them. All coaches on this list are approved by the Pettit National Ice Center and are registered members of US Figure Skating (USFS) and the Professional Skaters Association (PSA).
